

# How to submit a new Challenge

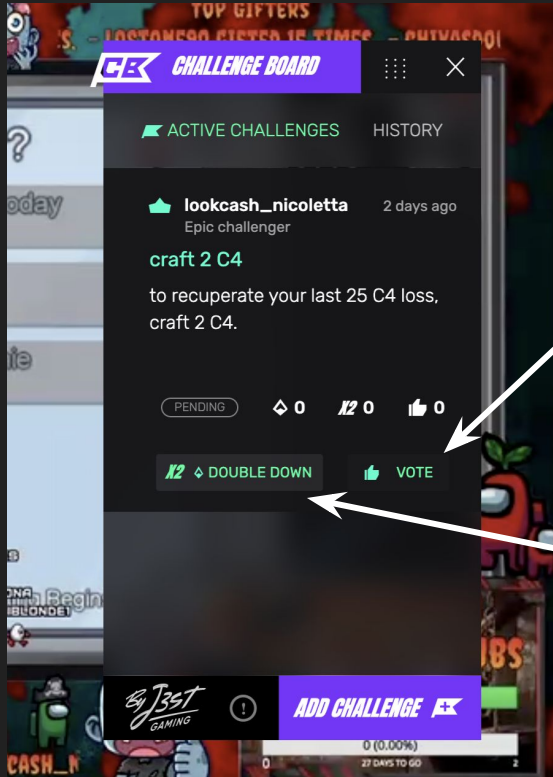

Enable CB - Each extension on Twitch requires the viewer to grant permission to view their Twitch user ID

Add a Challenge - Click "Add Challenge". Chose the challenge tier and complete the two fields (Title & Content)

Pay with bits - Complete the submission of the challenge by approving the bits sale

# How to add to current Challenges

Voting - Each challenge can be voted on. A vote costs 100 bits

Double Down - If you really like the challenge you can double its initial value with a double down
